Competition truck / Transporter

SHARED PASSION

### An environment designed exclusively for you

- Our style bureau designs and produces furnishings and fittings which exploit and optimise perfectly the living accommodation in your horsebox. By listening to the latest trends our designers develop these environments with innovative flair.

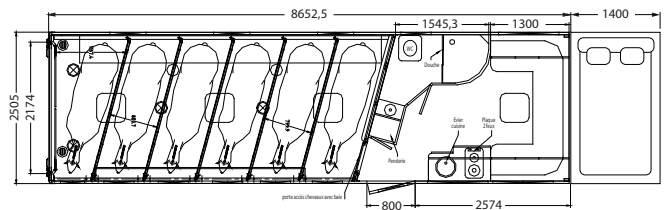

- ▶ A choice of flooring & surface finishes, durable materials, comfort and functionality are for us the essential criteria.
- ▶ Traditional, modern or contemporary, find a style to suit your taste and enjoy a home from home during your travels.
